Exciting Finish Between Richmond Racer and Carl Young.

[Special to The Times-Dispatch.] [Special to The Times-Dispatch.]
LYNCHBURG, VA., January 1.—The
one-mile roller-skating race for the State
championship between Carl Young, of
Lynchburg, and John Brent, of Richmond, took place to-night at the rink
here before 2,000 people, and was won
by Brent in 3:46. There were fourteen
laps, and up to the eleventh the competitors were neck and neck. After that
Brent spurted ahead and won by about
ffteen yards.

Great interest was felt here in the result of the Lynchburg match. Young defeated Brent in Richmond some weeks ago, and there is a sharp rivalry between the youngsters, who will meet here ngain on Friday night in a championship race. As Brent won by only fifteen yards last night, the race between the two skaters on Friday night should be a fast event and of much interest.

PETERSBURG, VA., January 1.—Figs, of Richmond, won the one-mile roller skating race at the Washington Street rink to-night with Butts, of Norfolk, a close second and Hughes, of Petersburg, third. The time was three minutes and forty-five seconds. Nell, of Petersburg, fell and Harrison dropped out. Figs was far in the lead until the last few laps, when Butts made a great spurt, which produced an exciting finish, the great crowd cheering wildly. A gold medal was the prize. A backward race between Nell and Hughes was easily won by Hughes, as Nell fell soon after starting. The match race between Figg and Pizzini, of Richmond, was called off because of a bad injury to Pizzini's hand.

Weak and unhealthy kidneys are responsible for many kinds of diseases, and if permitted to continue much suffering and many fatsi results are sure to follow. Kidney trouble irritates the nerves, makes you dizzy, restless, sleepless and irritable. Makes you pass water often during the day and obliges you to get up many times during the night. Unhealthy kidneys cause theumalism, gravel, catarrh of the bladder, pain or dull ache in the back, joints and muscles; make your head ache and back ache, cause indigestion, stomach and liver trouble; you get a sallow, yellow complexion; make you feel as though you had hear trouble; you may have plenty of ambition, but no strength; get weak and waste away.

To overcome these troubles take Dr. Kilmer's Swamp-Root, the world-famous kidney remedy. In taking Swamp-Root you afford natural help to Nature, for Swamp-Root is the most perfect healer and gentle aid to the kidneys that has yet been discovered.

How to Find Out

If there is any doubt in your mind as to your condition, take from your urine on rising about four ounces, place it in a glass or bottle and let it stand twenty-four hours. If on examination it (Swamp-Root is pleasant to take.) is milky or cloudy, if there is a brick-dust settling, or if small particles float about in it, your kidneys are in need of immediate attention.

EDITORIAL NOTICE.—So successful is Swamp-Root in prompily overcoming even the most distressing cases, that to Prove its wonderful merits you may have a sample bottle and a book of vaiuable information, both sent absolutely free by mail. The book contains many of the thousands upon thousands of testimonial leters received from men and women who found Swamp-Root to be just the remedy they needed. Mrs. Howard sued the rallroad company for damages because her husband was Killed while in the employ of the defendant. Judge McCall said in part:

"I am unable to bring my mind to the conclusion that the liability of the common carrier to its employe for injuries is interstate commerce, or commerce of any character, within the meaning of the commerce clause of the Constitution.
